WHAT OUR STUDENTS SAY

HARVEER SINGH SINDHU
*1st in Malaysia, 2nd in the World
for Recording Financial Transactions*

Taylor's equipped me with a strong foundation to embark on my journey into ACCA. Alongside the dedicated lecturers who possess vast expertise in accounting, Taylor's has created an inclusive learning space where people are much more open and welcoming.

The most memorable moment of my time here at Taylor's has been winning the World Prize for the FA2 paper. Thanks to the community of dedicated lecturers and supportive friends. Paired with the campus' pleasant environment and top-notch facilities, they all have contributed to my success.

XANDER WONG WEI XIANG
*1st in Malaysia, 2nd in the World
for Maintaining Financial Records*

JENNY HO KA HUI
*2 times World Prize Winner,
one for Foundation in Audit and
one for Foundation in Taxation*

I enjoy studying at the campus 24/7 study space because the relaxing environment boosts my learning experience, especially before the exam period. The supportive lecturers are always there to assist me, not only during class but also afterwards. All in all, my time at Taylor's has been great!

What I love about Taylor's is the small group settings as each classes can range up to 10 students only giving me the chance to get to know each of my classmates as we guide each other throughout classes.
