VICE-CHANCELLOR & PRESIDENT'S MESSAGE

Taylor's University is a reputable and leading private education institution in Malaysia. With more than 50 years of experience in the education scene, we remain steadfast in fostering excellence in education, innovation, and the holistic development of our students. We infuse our research, education, and advocacy with purpose and meaning to empower our community in pursuing their passion and purpose, thus leaving a positive impact to their surrounding community.

Our prime location exposes our diverse student body from almost 100 countries to the nation's rich cultural landscape and attracts the brightest and most creative students from around the world. Our students come together to create a vibrant and exciting community that supports a wide range of sporting, cultural and leisure activities, which have become the hallmark of the Taylor's experience – cultivating a positive campus environment.

We hope that Taylor's University will be your higher education institution of choice as we remain committed in our stance as a leading institution that is equipped to empower its students to address the challenges of the modern world. Most importantly, let us work together driven by the limitless potential within our community to ensure that when you graduate, you are ready to create your own pathway to excellence and become a productive leader of change.

We look forward to seeing you at Taylor's Lakeside Campus.

Warmest Regards,
Professor Barry Winn
Vice Chancellor and President,
Taylor's University

WHY COMPUTER SCIENCE AT TAYLOR'S?

Taylor'sphere, our balanced ecosystem of community, facilities and features, is focused on equipping students with intellect, creativity and practical wisdom to graduate in demand for the ever-evolving landscape. Your journey in computer science studies as a Taylorian will be immersed within this ecosystem that will empower your aspirations and enable you to rise with the best, where our community is our strength.

MULTIDISCIPLINARY LEARNING EXPERIENCE (MLE)

Taylor's was one of the pioneer institutions in the region to implement compulsory multidisciplinary projects across all its undergraduate programmes. Multidisciplinary solutions go beyond just collaborating, but rather having a good understanding of learning necessities across various disciplines against being discipline-specific which will no longer be enough.

TAYLOR'S CURRICULUM FRAMEWORK (TCF)

Breaking conventions to bring you the first-of-its-kind framework in Malaysia that allows you to mix and match modules to customise your degree.

MEETING INDUSTRY STANDARD

Established in 1998, Taylor's School of Computer Science offers a range of career-focused programmes, where graduates continue to meet industry standards, filling out the talent pool in ICT.

DRIVING INNOVATION THROUGH TECHNOLOGY

We aim to provide students with ample opportunities to influence the future of the modern world, pioneering the frontiers of Computer Science with a positive impact on society.

INDUSTRY-RELEVANT CURRICULUM

Our industry-relevant curriculum is a result of a conducive environment and multiple strong collaborations including close ties to the industry, professional bodies, government agencies, and academia.

COMPREHENSIVE PROGRAMMES

Our programmes offered are comprehensive in practical content, using relevant and latest learning technologies. We ensure that you are future-ready, as we enter the 4IR.

PERSONALISED AI-POWERED LEARNING

As one of Malaysia's pioneering institutions in AI-driven innovation, we offer personalised one-on-one 24/7 tutoring, focused Q&A sessions, assessments and instant feedback, supported by our AI teaching assistant. Students enjoy an engaging experience that encourages self-directed growth and better understanding.

DUAL AWARD

Taylor's School of Computer Science (SCS) offers dual award degree programme in collaboration with the Department of Computer Science and Creative Technologies, University of the West of England (UWE), UK.

A quality review committee, comprising academics from both institutions, is established for quality assurance and the moderation of the standards of the programmes, which includes curriculum and assessment. You will receive certification and academic transcripts from both Taylor's University and UWE upon completion of your degree at Taylor's.

UWE **Bristol** | University of the West of England

- Dating as far back as 1595, UWE represents a long and well-established tradition of first-class professional education and training.
- With over 30,000 students, UWE is a modern, growing university situated in the thriving harbour side of Bristol.
- UWE has over 500 available workstations in their teaching laboratories as well as large open-access labs providing PC and Unix-based machines. They also host their own servers to provide Windows, Linux and Unix-based operating systems.
- The Department of Computer Science and Creative Technologies has strong linkage with the industry, including a multi-million-pound strategic partnership with Hewlett-Packard, which has contributed towards an upgrade of computer technology and infrastructure across the campus.
- The Department has an active research community, which makes significant contribution towards various groups of studies such as Artificial Intelligence (AI), Complex Co-operative Systems and Unconventional Computing.

STUDENT APPS

We encourage you to not only think out of the box, but to break boundaries in experimenting and developing apps that have utility values.

TRAQUER

Traquer is an innovative solution that aims to reduce road accidents caused by buses and provide safety assurance to passengers. The app is a social-empowered road safety app and acts as a voice for public transport users.

ENSUERER

Ensuerer is an online-based insurance product that insures damaged, lost or stolen smartphones and other portable digital gadgets. Without the need for agents, Ensuerer crowdsources funds from people, who pay for monthly subscriptions for the product.

PROJECT FEEDON!

With the vision to solve world hunger, address food wastage and revolutionise charity food distribution in Malaysia, FeedOn! provides a platform to match manufacturing companies that have excess food production with charitable institutions.

POCKET MALL

Pocket Mall is an online platform for those who want to start their own business using the Internet. The app encourages users to sell new or hand-me-down clothes, shoes, accessories, or anything in between to gain extra points.

WAKKER APP

Wakker App is a precise journey planner that integrates all types of public transportation and routes. It wakes up commuters who have dozed off during their trip, calculates and informs commuters about public transport vehicle's estimated time of arrival and feeds location data to users who have already embarked on their journey.

EXPERIENTIAL LEARNING

COMPETITIONS

Students are given the opportunity to sharpen their programming and problem-solving skills through participating in various national and international competitions. This enables them to obtain feedback from experts, boost confidence as well as enhance communication and business presentation skills. Students live up to our unconventional methods as we encourage students to push boundaries and achieve more.

WORLD-CLASS STANDARDS & FACILITIES

As your vested partner throughout your education journey, future-proofing you is our priority. We continuously provide our students with more than just academics, but also life skills to be business leaders and successful entrepreneurs of the future. Students gain valuable hands-on and real-life experience through our dedicated laboratories and workspace.

HUAWEI LAB

Equipped with routers and networking equipment

CYBERSECURITY LAB

Equipped with cybersecurity software

Mac LAB

The Mac Lab is equipped with the latest industry-standard design software and hardware.

MULTIMEDIA LAB

Equipped with powerful machines that allow students to work on 3-dimensional (3D) and animation projects.

BizPod

Birthing Ideas, Building Businesses

BizPod

BizPod is a hybrid Incubator and Accelerator for entrepreneurs. It provides a holistic four-stage structured, intensive entrepreneurship training programme that develops the entrepreneurs from idea stage to funding acquisition for pre-seed, seed and venture capitalist. The training modules provided are mainly built around a multidiscipline mentorship model by experienced professionals from various specialisations. BizPod also has unique co-working pods for budding entrepreneurs who wish to work in a collaborative space in a university setting.

Taylor's Me.reka Makerspace

Taylor's Me.Reka Makerspace aims to be a place enabling our students from across Schools to work collaboratively on multi-disciplinary projects focusing on real-world problems with the use of proven solution techniques. This platform also encourages Taylor's students to be self-directed learners with hands-on training using cutting-edge technology in the field of digital fabrication. It also seeks to establish win-win relationships with community (local as well as international) and industry.

We were pleased to have Traquer as one of the teams to undergo our Alpha Startups pre-accelerator programme. The team showed great perseverance to make their startup a success and the founder Shi Jin, had great determination and tenacity which gave us the confidence to help him open doors that led to his team pitching his idea to the CEO of S.P.A.D himself. We were glad to be able to guide the team in validating their market and via our design sprint coaching help them focus on the essentials for a quick MVP to launch. We look forward to seeing more founders from Taylor's University joining our programme to help them on their entrepreneurial journey.

STUDENT INDUSTRY EXPOSURE

STUDENT TECHNOPRENEUR DEVELOPMENT

Taylor's School of Computer Science has strong initiatives to develop student Technopreneurship. The technopreneur modules will be taught over 4 semesters (one credit per semester) and much of the delivery will be via seminars, forums and workshops.

You will be grouped into teams to form start-up companies and taught to create jobs instead of to seek jobs. The school will provide the necessary support for the start-ups, such as coaching, nurturing ideas, and technical details.

INDUSTRY-DRIVEN FINAL-YEAR PROJECTS

Most of our final-year projects are done in collaboration with industry partners. You will be assigned to real-world industry problems from industries. This will expose you to some of the challenges faced by the industry and how your ideas could help solve some of these challenges. These projects will be co-supervised by industry partners. This has resulted in some excellent industry products such as:

STRONG INDUSTRY PARTNERSHIPS

In order to keep abreast with global trends and bridge the gap between academia and the industry, we have developed a web of relationships with international technology companies and entrepreneurs.

These pillars of the Information and Communications Technology (ICT) community provide Taylor's School of Computer Science with:

- valuable insight into the industry and shed light on the fundamental shifts in IT consumption and consumer behaviour.
- facilitate dynamic knowledge exchange, enabling you to reap the rewards of these collaborations.
- ability to serve as an ideation lab and a gateway to innovation, talent and research activities for the industry.

Soft skills are embedded throughout our curriculum:

- through project-based learning, internship programmes, field trips, as well as events and activities that stimulate the students to get involved in activities outside their chosen field and develop out-of-the-box thinking.
- providing you with industry exposure and enabling you to learn more about the application of technology in the real world.

Our holistic approach has successfully produced not just ICT graduates, but technopreneurs who are geared to meet and tackle the challenges of the future.

Completing my degree studies at Taylor's University Lakeside Campus was a rewarding experience, as they offered me a solid platform to develop both my technical and soft skills, which have contributed to my current success.

INDUSTRIAL ATTACHMENT REAL-LIFE EXPERIENCE

You will undergo a 6-month industrial training for the last 2 semesters of your programme. This will provide you with the necessary industrial experience and the opportunity to explore your interest and apply the knowledge acquired from the programme. Many of our industrial attachment partners are top ICT companies. A good percentage of our students are offered jobs in the same company after their industrial attachment.

We are delighted to note the level of knowledge and insights Taylor's students have with regards to computer security. This was evident even amongst your 1st year students.

INDUSTRY CERTIFICATION

The industrial badges awarded by Salesforce reflect our program's focus on real-world skills, comprehensive training modules, and practical projects. Students benefit from rigorous assessments and expert-led instruction, ensuring they are well-prepared for roles in customer relationship management and cloud-based solutions.

The industry-wide recognition attached to these accreditations greatly enhances our students' career opportunities and the quality of our teaching faculty. They also ease the pathway for our students to pursue a professional qualification or further their studies upon graduation.

Some of the certifications undertaken by our students are as follows:

- Java Programming by Oracle Academy
- Online industrial badges by Salesforce
- AWS Cloud Practitioner Essentials by AWS
- Advanced Python Programming Professional (APPP) by CADS

Our highly-qualified faculty members also possess extensive industry experience and actively pursue professional certification in key areas of specialisation. Many of them are regarded as experts in their respective fields:

- Sun Certified Java 2 Programmer
- Certified Tester, Foundation Level, ISTQB
- Certified Professional for Requirements Engineering, IREB
- Project Management Professional (PMP)
- HUAWEI
- Red Hat Certified Administrator
- Introduction to SAP, ERP Trainer
- Data Modelling and Data-based Design, Oracle Intro to Oracle:

3-Year Programme

- Data Science
- Cyber Security
- Mobile Computing
- Artificial Intelligence

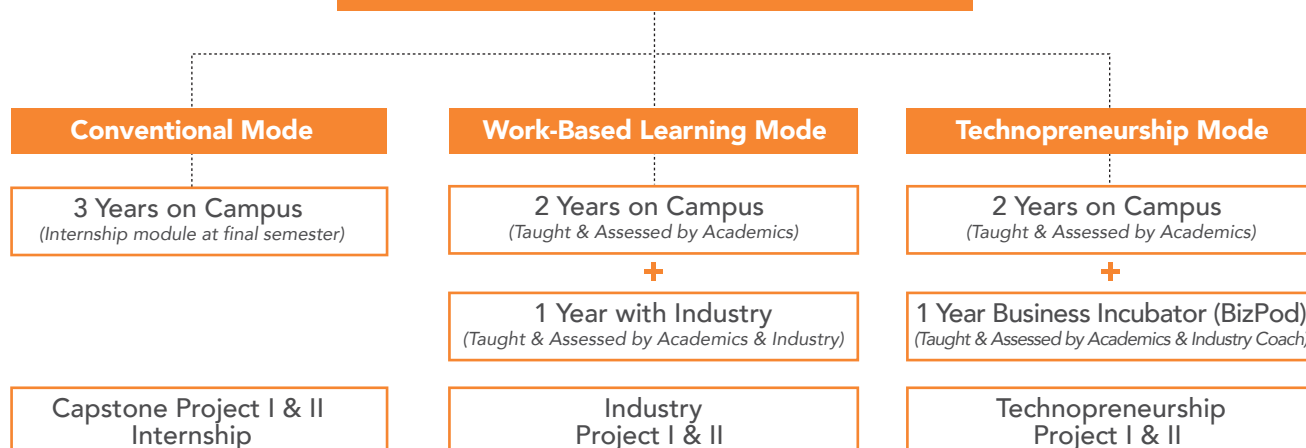

INTAKE: FEBRUARY, APRIL & SEPTEMBER

Computer Science is considered to be the foundational science that takes scientific and practical approaches to computerisation and its application. The programme will cover the methodical processes such as algorithms, in order to acquire, represent, process, store, communicate and access information.

This programme offers Work-based Learning and Technopreneurship mode. Please refer to the next page Industry Partners and mentors.

Triple Track Degree Programme

ELEVATE YOUR CAREER READINESS

Work-based learning (WBL) provides students hands-on experience with industry partners for a year. During this duration, students will gain real world, practical learning experiences. This complements the classroom learning that students would have gained in their first two years of their degree, increasing their career readiness.

WORK-BASED LEARNING INDUSTRY PARTNERS (WBL)

Companies	Nature of the Company
Edge Asia Digital Services Sdn Bhd (Aleph Labs Malaysia)	Personal Care Services
Axiata Digital & Analytics Sdn Bhd (ADA)	Data transformation, sales transformation, and digital marketing
Finexus International Sdn Bhd	Financial and technology services
Glueck Technologies Sdn Bhd	Innovative emotion analysis technologies
Hilti Asia IT Services Sdn Bhd	Professional IT Services
Hitachi eBworx Sdn Bhd	Fintech Solutions
Juris Technologies Sdn Bhd	Software / Mobile Application Development
K365 Labs Sdn. Bhd	Software Quality Engineering
LeadAlways Technology (M) Sdn Bhd	Software / Mobile Application Development
Macro Kiosk Berhad	Mobility Solutions
SeeSharp Solutions Sdn Bhd	Software / Mobile Application Development
Sunmaker Energy Uganda Ltd	Oil and Gas services and solutions
Western Digital (M) Sdn Bhd	Firmware and Software Development
Cloud-Kinetics (NEW)	Cloud and digital transformation
FusionQB Sdn Bhd (NEW)	Information technology and services
Strateq Group of Companies (NEW)	Integrated enterprise solution and services

Note: List of Industry Partners is accurate at the time of printing. The list will continue to expand.

TECHNOPRENEURSHIP

In the Technopreneurship track, students in their final year of study can work on their own start-up project in an incubator known as BizPod to analyse and design a product that has technological and entrepreneurship potential.

Be coached by experienced industry mentors who are successful in their fields and knowledgeable in start-ups, in addition to academic supervisors.

BIZPOD INDUSTRY MENTORS

Mentor	Profile
Jessie Chong Director of BizPod Founder of BoozeEat	Passionate in transforming the way start-ups ignite launch and grow their businesses
Heislyc Loh Founder of StartupMamak Managing Director of Founder Institute Malaysia	Community builder and thought leader on tech startups entrepreneurship in Southeast Asia
Kim Lim CEO and co-founder of PichaEats	Her innovation social enterprise helps refugees make both food and a living

TEACHING & LEARNING SUPPORT

TEACHING & EDUCATIONAL DEVELOPMENT (TED)

Teaching and Educational Development (TED) at Centre For Future Learning is an award-winning department that supports the work of academic staff to create excellence in teaching through practice, development, and innovation.

TED offers workshops and seminars that address a range of timely topics associated with teaching, learning and technology in higher education.

E-LEARNING ACADEMY (eLA)

eLA's task is to help our academic staff effectively implement the use of technology in ensuring our students learning journey is seamless enabling them to learn in a collaborative, self-directed and personalised manner, anytime and anywhere.

Academics are recommended to utilise technology and tools such as ReWIND videos, Zoom, Microsoft Teams meeting, Google Classroom, Screencast-O-Matic, to name a few.

Despite the unprecedented challenges, eLA is here to support Taylor's academics and students to continuously learn and teach via online modalities.

ACADEMIC ADVISORY

Centre for Academic Programme Management (CAPM) works with all academic faculties in providing necessary academic support to students so as to ensure they graduate on time. CAPM has mechanisms in place to keep track of students and intervene where need be.

FLAME (First Year Learning and Mentoring) is Taylor's signature mentoring programme developed to assist newly enrolled First-Year students to settle into University & College life and study, gearing them towards achieving their personal learning goals.

WHAT OUR SCHOLARS SAY

KEERAT KAUR WATHAN
*Taylor's Talent
Scholarship*

Being a Taylor's scholar is immensely fulfilling, opening doors for me academically and in extracurriculars. I made many friends through our Scholars' Club where I learned soft skills and life lessons to take with me, wherever I go.

EMIR RUSYAIDI
*Taylor's Sports
Scholarship*

My scholar's experience has granted me countless networking, financial, and social advantages in my journey as a Taylorian! It opened up unimaginable horizons in upskilling as well as meeting other high achievers in a well-knit community.

ELISHA PAULRAJ
*Taylor's Community
Scholarship*

My journey at Taylor's helped me grow with the confidence that I can rely on experienced individuals even when mistakes are made. The scholarship gave me exposure to diverse cultures and thinking, something I will always be thankful for!

GERMAINE HEW
*Taylor's World Class
Scholarship*

I led a fulfilling life at Taylor's with the scholarship, completing my internship at a prestigious company (Maybank), a stepping stone towards my career aspiration. Thankful too for the valuable experience through activities such as the Maybank Student Ambassador Programme!

ACHIEVEMENTS

EDUCATION EXCELLENCE RECOGNISED THROUGH OUR ACCOLADES

ADVANTAGES OF BEING A SCHOLAR

SCHOLAR'S CLUB

Join a distinguished community of high achievers like yourself. Collaborate with individuals who share your passions and aspirations, opening doors to potential collaborations, lifelong friendships, and invaluable networking opportunities that extend well beyond your scholarship years.

HIGHLY COMPETITIVE SELECTION

Our scholarships are awarded only to the most outstanding candidates. Being selected signifies your exceptional achievements and sets you apart from others. This recognition not only boosts your confidence but also serves as evidence of your exceptional abilities to future employers.

AMBASSADOR FOR THE INSTITUTION

Represents Taylor's values and achievements and acts as an exemplary student towards peers who upholds the values of Taylor'sphere.

ADDED VALUE FOR RESUME

Elevate your resume with the prestigious scholarship accolade. Make employers recognise your dedication to excellence, opening doors to coveted job positions, internships, and advanced educational pathways.

RECOGNITION AS A TOP-QUALITY GRADUATE

Our scholarship recipients gain the attention of industry leaders who acknowledge their potential. This recognition brings forth mentorship opportunities, access to influential networks, and potential collaborations.

FINANCIAL FREEDOM

Benefit from a waiver throughout the standard programme duration, allowing you to focus on your studies, embrace additional learning experiences, and even explore internships, fostering a holistic educational journey.

LIFE & LEADERSHIP SKILLS BUILDING

Engage in activities that foster life and leadership skills, vital for personal and professional success. Our scholars develop communication, teamwork, and problem-solving skills through hands-on experiences, ensuring you graduate not only academically competent but also well-equipped for real-world challenges.

INTRODUCTION TO FINANCIAL AID

Taylor's offers various forms of financial assistance, including scholarships, awards, and bursaries, which support our students throughout their studies.

SCHOLARSHIP

Scholarships are exclusively available to both Taylor's College and Taylor's University students for their chosen programme. Students may apply for the scholarship(s) at the point of enrolment should they meet the minimum eligibility and academic criteria. Shortlisted candidates will undergo assessments and interviews.

EXCELLENCE AWARD

The Excellence Award is a prestigious recognition of academic achievements. Students may attain the eligible quantum on a fast-track basis upon application based on their academic results.

BURSARY

The bursary is a form of discount that will be provided to students depending on their eligibility which will be advised by the appointed Counsellors at the point of enrolment.

FINANCIAL AID IMPORTANT INFORMATION

Unfortunately, we are unable to provide individual feedback to applicants as we receive a high volume of applications.

10

WHAT SHOULD I DO IF I'M AWARDED MULTIPLE SCHOLARSHIPS?

Should you receive any types of awards/discounts from any other bodies, these should be notified to us in writing. If found unreported, scholarships will be terminated with immediate effect.

UNDERGRADUATE SCHOLARSHIP TERMS & CONDITIONS

1. Scholarships listed are applicable for 2025 intakes only and are subject to availability on a first-come, first-serve basis.
2. Scholarships are applicable for all Malaysian students that hold academic results from any accredited institution in Malaysia or selected overseas institutions with selected qualifications (i.e. IGCSE, Cambridge A Level) and Taylor's Education Group (TEG) progression international students only. Clarification on accepted results may be obtained from the Scholarships Management through the student's appointed Counsellor.
3. Scholarship application can only be made once for the particular level of study, at any one time and must be made at the point of enrolment, before the application deadline. Late application or re-application will not be entertained.
4. All 2025 scholarships are subject to the following eligibility criteria:
 - i. Studies conducted at Taylor's College/Taylor's University, Malaysia only;
 - ii. Registered full-time students at Taylor's College/Taylor's University;
 - iii. The programme and intake offered as stated in the Letter of Offer only; and
 - iv. Does not include a period of study at overseas partner institutions including student exchange, except where fee is payable to Taylor's College/Taylor's University (where applicable).
5. All scholarships are only applicable for students progressing to a higher qualification from the current highest achieved qualification commencing from semester 1 without any credit transfer (except for transfers from Diploma/Advanced Diploma to Degree). Clarification on exceptions may be obtained from the Scholarships Management through the student's appointed Counsellor.
6. Application for the scholarships may be submitted based on actual/forecast/trial results. For SPM students, only actual/trial results shall be considered eligible for the scholarship application, whereas, for IGCSE students, only actual/forecast results shall be considered for the same purpose.
7. If forecast/trial results are used in the application, the actual results must meet the minimum programme entry requirements as stipulated by Taylor's College/Taylor's University and a copy must be furnished to Taylor's College/Taylor's University as soon as the results are out. Upon actual results being released, in the event the recipient fails to meet the minimum programme entry requirements, the recipient is required to leave the programme and the scholarship offer will be automatically revoked.
8. All subjects taken during SPM will be considered except for:
 - i. 1119 (GCE-O)
 - ii. Principles of Accounting Dual Certification (LCCI)
 - iii. Ujian Pencapaian Bahasa Antarabangsa (UPBA).
9. For IGCSE syllabus, KBSM grades will not be taken into consideration if the same subject has already been taken in IGCSE.
10. For any other examination, all subjects are taken into consideration with the following exceptions:
 - i. Same/Similar subjects from different examination boards (e.g. Cambridge and Pearson) will be treated as one (1) subject for awarding purpose, where the highest grade applies;
 - ii. For language subjects, where two (2) subjects with varying level of proficiency are taken either from the same or different examination board, it will be treated as one (1) subject for awarding purposes, where the highest grade applies.
- Clarification on accepted subjects may be obtained from the Scholarships Management through your Counsellor.
11. Applicants must be certain of their preferred intake and/or programme during the point of scholarship application. Should applicants defer or change to a different programme and/or intake of the same year or different year during the processing period, the application will be voided.
12. Applicants are required to apply for the scholarship before the application deadlines. Any late or incomplete application will not be accepted. No appeals will be entertained.
13. Scholarship application deadlines may be revised at the sole discretion of Taylor's College/Taylor's University without prior notice. Application deadlines can be found on the Taylor's College/Taylor's University website respectively.
14. The scholarships are applicable to the programme and intake granted. Any changes to the intake and/or programme of study that result in the modification of programme title and/or duration of studies and/or intake commencement will result in immediate termination of the scholarship. For special consideration, the recipient shall correspond in writing immediately with the Scholarships Management to notify of the circumstance. Any approval for exceptions or special considerations is at the absolute discretion of the Scholarships Management and is not guaranteed. Where changes are made without prior approval, Taylor's College/Taylor's University reserves the right to withdraw the scholarship, and the recipient will be required to repay the total scholarship amount disbursed to him/her in full. All decisions made by Taylor's College/Taylor's University are final and no further appeals shall be entertained.
15. Recipients are expected to provide any document(s) as requested by the Scholarships Management at any given time within the stipulated deadline communicated to facilitate any requirements deemed necessary by Taylor's College/Taylor's University. Failure to do so will result in the scholarship being revoked and the recipient to repay the scholarship amount disbursed to date in full.
16. Recipients shall join the academic course at the given start date. Failure to do so will result in immediate termination of the scholarship.
17. The duration of the scholarship is up to the standard programme duration or until the completion of study period specified by Taylor's University/Taylor's College, whichever is earlier. No extensions are allowed.
18. The scholarship is a fee waiver; it is not exchangeable for cash, is non-transferable and non-refundable and the manner in which the awarded amount is disbursed will be decided by the Scholarships Management. Any requests to amend the quantum disbursement will not be entertained.
19. The scholarship only covers the tuition fees and for avoidance of doubt does not cover fees such as the International Student Annual Fee, EMGS Visa Application Fee, International Student Charge, Hospitalisation and Surgical Insurance Fee, EMGS Renewal Fee or any other Visa-related Fee.
20. The scholarship only covers subjects enrolled for the first time (first attempt) in the letter of offer. Retake of module or repeat of subject will not be covered by the scholarship, and the fees chargeable for any retake or repeat will be borne by the recipients.
21. All fees which are on the account of the students should be paid by the stipulated deadline. Refusal to do so either when awaiting the scholarship outcome announcement and/or throughout the duration of study will be subjected to terms of the institution policy which includes and is not limited to barring from classes and may result in the scholarship application being disqualified/scholarship being terminated and full fees being charged to the applicant/recipient.
22. Recipients are entitled to one (1) type of scholarship/bursary/award/waiver/discount at any one time including sponsorship from other external institutions/bodies. Recipients shall inform the Scholarships Management of any other scholarships or sponsorships currently held or awarded at a later date. For scholarship recipients, this disbursement will cease in the event recipients accept any external scholarship. The one with the highest quantum will automatically apply.
23. If the scholarship offer is not accepted by the given deadline in the letter of offer, it will be automatically withdrawn and voided. No appeals will be entertained.
24. By accepting this offer, recipients understand and accept the responsibility of being an exemplary student ambassador for Taylor's College/Taylor's University. Recipients must recognise that his/her behaviour and general conduct must, at all times, be above reproach and comply with all existing rules, regulations, requirements and policies of Taylor's College/Taylor's University. Recipients should not be involved, engaged in, or participate in any politic, illegal or unlawful activity as a recipient of the scholarship whether within or outside the University premises. Failure to comply will result in immediate termination of scholarship and possible suspension in line with Institution policy.
25. Recipients agree to act in an ambassadorial capacity, to provide student profiles or testimonials, interviews, advertisements, photographs, or any other publicity-related activities if requested, and to attend scholarship or recruitment events as required for Taylor's College/Taylor's University.
26. By accepting this award, recipients are expected to join the Scholar's Club and attend any Scholar's Club activities/events organised by the Scholarships Management and Scholar's Committee during the duration of their scholarship and attendance is a requirement under this scholarship.
27. Recipients also agree to indemnify and hold Taylor's College/Taylor's University harmless of and from any and all demands, claims, liabilities or actions of any kind whatsoever during their period of study at Taylor's College/Taylor's University.
28. In the event the recipient withdraws from the programme, is suspended or terminated by Taylor's College/Taylor's University at any point of time before the completion of the programme, the scholarship shall be automatically terminated. However, should the recipient withdraw from the programme due to medical reasons, his/her scholarship may be retained, subject to the absolute discretion of the Scholarships Management.
29. Taylor's College/Taylor's University, will be entitled to terminate the scholarship at any time, by immediate notice to the recipient in writing, in the event of:
 - i. misconduct, whether in connection with his/her study or otherwise;
 - ii. failure to make such progress in his/her study as is considered satisfactory;
 - iii. circumstances, such as illness, arising which, with the university's agreement, would render it impossible for the recipient to complete his/her scholarship satisfactorily or prevent the purpose of the scholarship from being fulfilled;
 - iv. dismissal, for any reason, from the recipient's host university (if on student exchange programme);
 - v. breach of any local Malaysian law and practices;
 - vi. conviction of bribery, in line with the Malaysian Anti-Corruption Act, the current scholarship will be rescinded, and the recipient will be banned from applying for any Taylor's financial aid and discounts for a period of up to five years;
 - vii. failure to comply with the conditions of his/her visa (if international student); and
 - viii. the discovery that the recipient has submitted fraudulent documentation.
30. In the event of such termination, Taylor's College/Taylor's University shall have no further obligation to the recipient, and the recipient shall be bound to repay the amount that has been paid/waived to him/her under the scholarship, unless:
 - i. the termination is a result of his/her ill health and this has been certified by a registered medical practitioner; and
 - ii. Taylor's College/Taylor's University has exercised its discretion to exempt the recipient from this condition.
31. No delay or forbearance by Taylor's College/Taylor's University to enforce any of its rights and remedies for breach by the recipient of any of these terms and conditions shall in any way affect or prejudice Taylor's College/Taylor's University rights or remedies in respect of such breach, nor will Taylor's College/Taylor's University rights and remedies in respect of any other or subsequent breach of these terms and conditions by the recipient be affected or prejudiced.
32. Recipients are required to maintain satisfactory academic results as outlined by the minimum CGPA/score/grades specified in their scholarship offer letter throughout the standard programme duration. Failure to do so may result in the termination of the scholarship by Taylor's College/Taylor's University at the discretion of the Scholarship Management, taking into consideration due process as per the Scholarship policy.
33. Any breach of the scholarship condition(s) is treated seriously and if the recipient believes to have breached a condition whether intentionally or unintentionally, the recipient should contact the Scholarships Management immediately to discuss the situation. Recipients are urged to take prompt action to resolve any misunderstanding that may arise as a result of the breach, accidental or otherwise.
34. All decisions made by Taylor's College/Taylor's University are final and no further appeals shall be entertained.
35. Taylor's College/Taylor's University maintain a range of social media platforms intended to facilitate interaction among scholars and alumni. Comments and participation in discussions are encouraged, with an emphasis on open and meaningful debate. All users are expected to observe appropriate standards of conduct and uphold the principles of respectful, polite, and constructive discourse at all times.
36. Recipients agree to be contacted by Taylor's College/Taylor's University after graduation to be involved in interviews, advertisements, photography or other publicity-related activities for marketing purposes.
37. The terms and conditions of scholarships may be modified and amended from time to time as deemed appropriate by Taylor's College/Taylor's University and the current version can be found on the Taylor's College/Taylor's University website.
38. Upon accepting this scholarship, recipients are deemed to have accepted all terms and conditions stipulated here.
39. All information including personal data provided in the programme and scholarship application may be used by or on behalf of Taylor's College/Taylor's University in the following manner and is not limited to:
 - i. processing of scholarship application, collection of feedback, communicate details of events, academic programmes and marketing information, and for any other purposes as required by Taylor's College/Taylor's University; and
 - ii. periodical audit by Taylor's College/Taylor's University with regards to any information provided should the scholarship be administered, which includes and is not limited to grade reviews, semester status, and utilisation of data for institution needs.
- All data collected will be handled in strict accordance with the PDPA guidelines as per organisation policy.
40. Effective 1 July 2025, a 6% Service Tax will be imposed on non-Malaysian citizens, applicable to all fees and charges related to education services, except International Security Deposit and EMGS application fees. Fees shown in the Fee Schedule are exclusive of the 6% Service Tax. The Service Tax rate and taxable fee components are subject to change as determined by government regulations.
41. In accordance with prevailing Malaysian tax regulations, Service Tax (if applicable) shall be imposed on the full value of taxable fees and charges, prior to the application of any scholarships, bursaries, awards, or discounts. All non-Malaysian citizens shall bear this tax liability in full. Recipients are therefore advised to factor in the Service Tax on the total (undiscounted) amount when calculating the net amount payable to Taylor's College/Taylor's University.

AWARDS AND BURSARIES TERMS & CONDITIONS

1. Awards listed are applicable for 2025 intakes only and are subject to availability on a first-come, first-serve basis.
2. Awards are applicable for all students that hold recognised academic results from accredited institutions in Malaysia. Malaysians from selected overseas institutions with selected qualifications (e.g. IGCSE, Cambridge A Level) may be considered. Clarification on accepted results can be obtained from the Scholarships Management through the student's appointed Counsellor.
3. All 2025 awards are subject to the following eligibility criteria:
 - i. Studies conducted at Taylor's College/Taylor's University, Malaysia only;
 - ii. Registered full-time students at Taylor's College/Taylor's University;
 - iii. The programme and intake offered as stated in the Letter of Offer only; and
 - iv. Does not include a period of study at overseas partner institutions including student exchange, except where fee is payable to Taylor's College/Taylor's University (where applicable).
4. Application for the Award may be submitted based on actual/forecast/trial results. For SPM students, only actual/trial results shall be considered eligible for the Award application, whereas, for IGCSE students, only actual/forecast results shall be considered for the same purpose. The latest available results will be considered at the point of processing.
5. If forecast/trial results are used in the application, the actual results must meet the minimum programme entry requirements as stipulated by Taylor's College/Taylor's University and a copy must be furnished to Taylor's College/Taylor's University as soon as the results are out. Upon actual results being released, in the event the recipient fails to meet the minimum programme entry requirements, the recipient is required to leave the programme and the award offer will be automatically revoked.
6. All awards are only applicable for students progressing to a higher qualification from the current highest achieved qualification commencing from semester 1 without any credit transfer (except for transfers from Diploma/Advanced Diploma to Degree). Clarification on exceptions may be obtained from the Scholarships Management through the student's appointed Counsellor.
7. Award application must be done before the intake closing date. An exception is provided to students who receive their results after the intake closing date, whereby award application or upgrade may be done within 10 working days from the results release date, which may include online results, provisional results, or any other form of formal/recognised confirmation of results. Application and/or upgrade form must be filled and submitted with the results copy attached to Campus Central at campuscentral@taylors.edu.my before the stipulated deadline. The application and/or upgrade form may be obtained from the student's appointed Counsellor or from Campus Central.
8. All award applications and upgrades can only be done once.
9. Should the documents provided not be sufficient at the point of processing, Scholarships Management reserves the right to request the necessary additional supporting documents which must be provided within the stipulated deadline for further review. Failure to do so will result in the Award application being null and void.
10. The award shall be in the form of a tuition fee waiver; it is not exchangeable for cash, is non-transferable and non-refundable and the manner in which the awarded amount is disbursed may vary by programme and will be decided by the Scholarships Management. Any request to amend the quantum disbursement will not be entertained.
11. The award is applicable in long semesters only and is limited to the maximum deduction subject to quantum awarded. For avoidance of doubt, in long semesters where the tuition fees are lower than the awarded quantum, deductions made shall be equivalent to the semester's tuition fees only.
12. All subjects taken during SPM will be considered except for:
 - i. 1119 (GCE-O)
 - ii. Principles of Accounting Dual Certification (LCCI)
 - iii. Ujian Pencapaian Bahasa Antarabangsa (UPBA).
13. For IGCSE syllabus, KBSM grades will not be taken into consideration if the same subject has already been taken in IGCSE.
14. For any other examination, all subjects are taken into consideration with the following exceptions:
 - i. Same/Similar subjects from different examination boards (e.g. Cambridge and Pearson) will be treated as one (1) subject for awarding purpose, where the highest grade applies;
 - ii. For language subjects, where two (2) subjects with varying levels of proficiency are taken either from the same or different examination boards, it will be treated as one (1) subject for awarding purposes, where the highest grade applies.
- Clarification on accepted subjects may be obtained from the Scholarships Management through the student's appointed Counsellor.
15. Recipients must meet the minimum programme entry requirements and the award requirements as stipulated by Taylor's College/Taylor's University.
16. The awards are applicable to the programme and intake granted. Any changes to the intake and/or programme of study that result in the modification of programme title and/or duration of studies and/or intake commencement will result in immediate termination of the award. For special consideration, the recipient shall correspond in writing immediately with the Scholarships Management to notify of the circumstance. Any approval for exceptions or special considerations is at the absolute discretion of the Scholarships Management and is not guaranteed. Where changes are made without prior approval, Taylor's College/Taylor's University reserves the right to withdraw the award, and the recipient will be required to repay the total award amount disbursed to him/her in full. All decisions made by Taylor's College/Taylor's University are final and no further appeals shall be entertained.
17. The award only covers the tuition fees and for avoidance of doubt does not cover fees such as the International Student Annual Fee, EMGS Visa Application Fee, International Student Charge, Hospitalisation and Surgical Insurance Fee, EMGS Renewal Fee or any other Visa-related Fee.
18. The award only covers subjects enrolled for the first time (first attempt) in the letter of offer. Retake of module or repeat of subject will not be covered by the award, and the fees chargeable for any retake or repeat will be borne by the recipients.
19. All fees which are on the account of the students should be paid by the stipulated deadline. Refusal to do so either when awaiting the award outcome announcement and/or throughout the duration of study will be subjected to terms of the institution policy which includes and is not limited to barring from classes and may result in the award application being disqualified/award being terminated and full fees being charged to the applicant/recipient.
20. Recipients are encouraged to contact Scholarships Management with any enquiry regarding deductions prior to remitting payment for the respective semester should there be any. All requests submitted after payment or upon graduation will not be entertained.
21. Recipients are entitled to one (1) type of scholarship/bursary/award/waiver/discount at any one time including sponsorship from other external institutions/bodies. Recipients shall inform the Scholarships Management of any other scholarships or sponsorships currently held or awarded at a later date. The one with the highest quantum will automatically apply.
22. By accepting this award, the recipient agrees to indemnify and hold Taylor's College/Taylor's University harmless of and from any and all demands, claims, liabilities or actions of any kind whatsoever.
23. All awards offered by Taylor's College/Taylor's University to any students are at the absolute discretion of Taylor's College/Taylor's University and no further appeals shall be entertained.
24. Taylor's College/Taylor's University reserves the right to rescind the offer if documents contain false information. This includes applications without required attachment(s).
25. Any late or incomplete application will not be accepted.
26. The terms and conditions of awards may be modified and amended from time to time as deemed appropriate by Taylor's College/Taylor's University and the current version can be found on the Taylor's College/Taylor's University website.
27. Upon accepting this award, the recipient is deemed to have accepted all terms & conditions stipulated here.
28. All information including personal data provided in the programme and award application may be used by or on behalf of Taylor's College/Taylor's University in the following manner and is not limited to:
 - i. processing of award application, collection of feedback, communicating details of events, academic programmes and marketing information, and for any other purposes as required by Taylor's College/Taylor's University; and
 - ii. periodical audit by Taylor's College/Taylor's University with regards to any information provided should the award be administered, which includes and is not limited to grade reviews, semester status, and utilisation of data for institution needs.
- All data collected will be handled in strict accordance with the PDPA guidelines as per organisation policy.
29. Effective 1 July 2025, a 6% Service Tax will be imposed on non-Malaysian citizens, applicable to all fees and charges related to education services, except International Security Deposit and EMGS application fees. Fees shown in the Fee Schedule are exclusive of the 6% Service Tax. The Service Tax rate and taxable fee components are subject to change as determined by government regulations.
30. In accordance with prevailing Malaysian tax regulations, Service Tax (if applicable) shall be imposed on the full value of taxable fees and charges, prior to the application of any scholarships, bursaries, awards, or discounts. All non-Malaysian citizens shall bear this tax liability in full. Recipients are therefore advised to factor in the Service Tax on the total (undiscounted) amount when calculating the net amount payable to Taylor's College/Taylor's University.
