VICE-CHANCELLOR & PRESIDENT'S MESSAGE

Taylor's University is a reputable and leading private education institution in Malaysia. With more than 50 years of experience in the education scene, we remain steadfast in fostering excellence in education, innovation, and the holistic development of our students. We infuse our research, education, and advocacy with purpose and meaning to empower our community in pursuing their passion and purpose, thus leaving a positive impact to their surrounding community.

Our prime location exposes our diverse student body from almost 100 countries to the nation's rich cultural landscape and attracts the brightest and most creative students from around the world. Our students come together to create a vibrant and exciting community that supports a wide range of sporting, cultural and leisure activities, which have become the hallmark of the Taylor's experience – cultivating a positive campus environment.

We hope that Taylor's University will be your higher education institution of choice as we remain committed in our stance as a leading institution that is equipped to empower its students to address the challenges of the modern world. Most importantly, let us work together driven by the limitless potential within our community to ensure that when you graduate, you are ready to create your own pathway to excellence and become a productive leader of change.

We look forward to seeing you at Taylor's Lakeside Campus.

Warmest Regards,
Professor Barry Winn
Vice Chancellor and President,
Taylor's University

WHY ARCHITECTURE, BUILDING & DESIGN AT TAYLOR'S?

Taylor'sphere, our balanced ecosystem of community, facilities and features, is focused on equipping students with intellect, creativity and practical wisdom to graduate in demand for the ever-evolving landscape. Your journey in architecture, building & design studies as a Taylorian will be immersed within this ecosystem that will empower your aspirations and enable you to rise with the best, where our community is our strength.

YOUR FUTURE IS OUR PRIORITY

Strongly anchored in the philosophies of sustainable design and a people-centred approach, we ensure that our graduates are in touch with current trends and well-equipped to embrace the challenges of the 4IR.

MULTIDISCIPLINARY LEARNING EXPERIENCE (MLE)

Taylor's was one of the pioneer institutions in the region to implement compulsory multidisciplinary projects across all its undergraduate programmes. Multidisciplinary solutions go beyond just collaborating, but rather having a good understanding of learning necessities across various disciplines against being discipline-specific which will no longer be enough

PUSHING BOUNDARIES

We endeavour to instil a desire to continuously improve the quality of the environment for individuals and the community at large, by challenging our students to not just 'think out-of-the-box' but to create their own box and break it'

TAYLOR'S CURRICULUM FRAMEWORK (TCF)

The first of-its-kind framework in Malaysia that allows you to mix and match your degree, thus gaining multiple specialties to enhance your employability

PROFESSIONAL RECOGNITION

Our Architecture and Quantity Surveying degrees are accredited by local and international professional boards that raise the bar of our graduates and ensure they meet international industry standards.

EXTENSIVE EXPOSURE

Our students attend site visits, field trips, technical visits, participate in professional network annual gatherings around the world to expand their scope of cultures, languages, design ideas and construction techniques.

LEVERAGED NETWORKING

Our extensive academic links and industry network provide opportunities for collaboration in teaching, learning, research and student mobility. The programmes are benchmarked against the industry's best practices to equip our students for success.

WORLD-CLASS STANDARDS & FACILITIES

Our campus is built with our students in mind – your university is your second home. Taylor's Lakeside Campus encompasses a modern, functional design with state-of-the-art facilities together with lush greenery and its trademark 5.5-acre lake; striking a balance between form and function to embody our modern approach and perspective in premium education with an approach to holistic growth outside the classroom.

PERSONALISED AI-POWERED LEARNING

As one of Malaysia's pioneering institutions in AI-driven innovation, we offer personalised one-on-one 24/7 tutoring, focused Q&A sessions, assessments and instant feedback, supported by our AI teaching assistant. Students enjoy an engaging experience that encourages self-directed growth and better understanding.

RESEARCH TO FUEL INNOVATION

Research at the School of Architecture, Building and Design (SABD) focuses on Innovative Tropical Cities. Our postgraduate research highlights social sustainability, heritage empowerment and innovative solutions in the context of tropical cities in Asia. We encourage digital innovation as a tool and solution to many of the diverse challenges faced by cities in the Indo-Pacific region.

Our students have visited Kampung Cina, Kuala Terengganu, to examine the site and produce detailed drawings used to restore a temple to its former glory, after it was partly ruined in a fire.

Some of our other student research projects include:

1. Guang Zhong Folk Art Museum, Xi An, China
2. Modern Architecture Kuala Lumpur Series featuring Masjid Negara
3. Muzium Negara, Stadium Negara, Stadium Chin Woo, British Council
4. The Inventory of Sungai Buloh, Leprosy Settlements, Selangor

BECOME FUTURE-PROOF

GLOBAL AND LOCAL LINKAGES WITH THE INDUSTRY AND PANELS

INDUSTRY EXPOSURE

We teach students how to understand industry needs and behaviours, challenge conventions and think out-of-the-box through industry exposure.

LEVERAGED NETWORKING

Our extensive academic links and industry alliances ensure that our programmes are benchmarked against industry standards, thus remaining relevant with the latest trends.

PROFESSIONAL NETWORKS

Students can participate in annual gatherings organised by Pertubuhan Arkitek Malaysia (PAM), The Royal Institution of Chartered Surveyors (RICS) and The Royal Institution of Chartered Surveyors Malaysia (RISM), providing them invaluable networking opportunities.

INDUSTRY ADVISORY PANEL (IAP)

The IAP consists of leading professionals and industry experts, who work closely with us to ensure that the curriculum offered is up to date with current industry practices and requirements, assisting students with industry placements and career opportunities.

EXPOSURE TO CREATIVE SOLUTIONS

We provide various platforms for students to compete, showcase and highlight their work, at national and international levels.

CONFERENCES

These interactive platforms are an opportunity for students to showcase and present their work every semester, to a panel of industry members and academics from different backgrounds to gain valuable feedback.

AWARDS & RECOGNITION

PROFESSIONAL RECOGNITION

- Our programmes meet the rigorous standards of professional accreditation boards, due to our stringent entry requirements, comprehensive curriculum, students' work, and achievements, as well as our qualified teaching faculty.
- First private university to be accredited by the Board of Architects Malaysia or Lembaga Arkitek Malaysia (LAM).
- Meets the requirements of LAM, our programme ensures graduates are eligible for exemption from the LAM Part 1 Examination.
- The Quantity Surveying (QS) programme is acknowledged and accredited by leading international boards, including the Royal Institution of Chartered Surveyors (RICS), the Pacific Association of Quantity Surveyors (PAQS) and the Board of Quantity Surveyors Malaysia (BQSM).
- RICS accreditation places our QS graduates on par with international standards, meeting the requirements for professional surveyors from over 140 countries.

These professional recognitions enhance our students' career opportunities and ease the pathway for them to further their studies or pursue a professional qualification.

BOARD OF ARCHITECTS MALAYSIA OR LEMBAGA ARKITEK MALAYSIA (LAM)

The Board of Architects Malaysia or Lembaga Arkitek Malaysia (LAM) is the Malaysian statutory authority responsible for the enforcement of the Architects Act. The Board has many roles and functions, one of them is to accredit architectural programmes offered in Malaysia.

BOARD OF QUANTITY SURVEYORS MALAYSIA (BQSM)

Board of Quantity Surveyors Malaysia (BQSM) is a statutory body, governing the quantity surveying profession and promoting the growth of the quantity surveying profession through regulation and continuous professional development.

ROYAL INSTITUTION OF CHARTERED SURVEYORS (RICS)

The Royal Institution of Chartered Surveyors (RICS) is the world's leading professional body for qualifications and standards in property, land and construction. RICS membership offers a global passport to professional opportunities in more than 140 countries.

PACIFIC ASSOCIATION OF QUANTITY SURVEYORS (PAQS)

The Pacific Association of Quantity Surveyors (PAQS) is an international association of national organisations representing quantity surveyors in the Asia and Western Pacific region. One of the main roles of PAQS is to promote best practices of quantity surveying in the region.

WORLD-CLASS STANDARDS & FACILITIES

As your vested partner throughout your education journey, we continuously provide our students with more than just academics, but also life skills to be business leaders and successful entrepreneurs of the future. To do that, we ensure we upkeep our standards and facilities, to be nothing less than world-class.

TAYLOR'S VORTEX XR LAB

Taylor's University has expanded its education from classroom and online lectures into the virtual world of extended reality (XR). XR is an emerging umbrella term describing current immersive technologies, namely augmented reality (AR), virtual reality (VR) and mixed reality (MR). The lab facilitates the virtual co-presence of learners and participants in a virtual metaverse.

Students, lecturers and staff can enter into a world where they can experience complete liberation from screen-bound experiences and venture into XR.

Jeffrey has worked in the WTA architecture and design studio in the Philippines previously and has participated in the construction of the Emergency Quarantine Centre during the pandemic. He now runs his own business and is also working in Johor.

BACHELOR OF QUANTITY SURVEYING (HONOURS)

3.5-Year
Programme

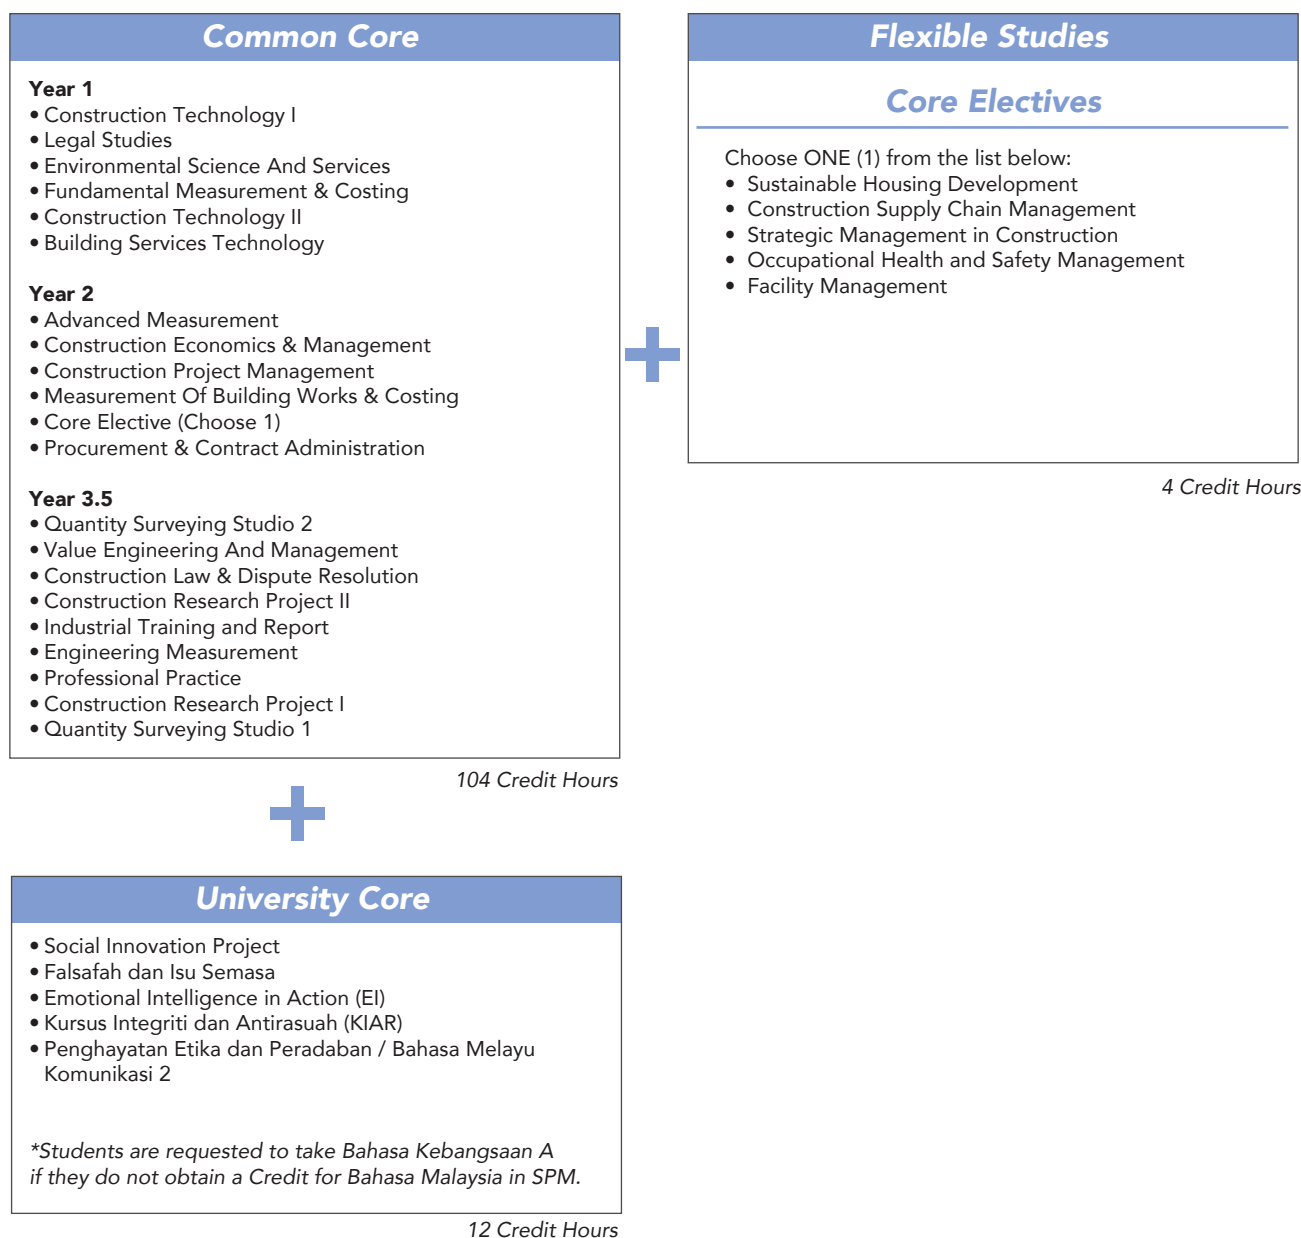

KPT/JPS (R2/526/6/0056) (MQA/FA8178) 03/26

INTAKES: FEBRUARY, APRIL & SEPTEMBER

The Bachelor of Quantity Surveying (Honours) adopts an integrated approach to provide students with the knowledge base in the construction industry from the technical, commercial and contractual aspects. This will concretise their understanding in the context of the Quantity Surveyor's role as the industry advisor on the value and cost of construction projects from inception to completion – cost budgeting & control, procurement, contract administration and project management achieved through guided learning as well as, whole-class and structured group work and individual activity. Through these activities, students acquire sound knowledge of building and the built environment, ability to translate drawings into bills of quantities, and develop initiative and imagination to visualise building design details for accurate costing. This is culminated with organisational ability, tact, patience, intuition, common sense, logical thinking to solve problems and ability to write and communicate clearly. The curriculum is underpinned by multidisciplinary, collaborative, and real-world learning pedagogies. It includes a 6-month industrial training to develop practical and relevant skills for future employment.

Professionally Accredited Graduates

- Graduates gain automatic membership to the Board of Quantity Surveyors Malaysia (BQSM) or Lembaga Jurukur Bahan Malaysia.
- Graduates gain recognition from a network of over 140 countries through the Royal Institution of Chartered Surveyors (RICS).
- Accreditation from The Pacific Association of Quantity Surveyors (PAQS).

MODULE SYNOPSIS

Construction Supply Chain Management (Elective Module)

Construction Supply Chain (CSC) is the network of organisations involved in different stages (the upstream and downstream) of processes of delivering goods or services. The module covers the coordination of material, information and financial flows between and among all the participant organisations including the current trends within the CSC such as lean and agile concepts, relationship management and corporate social responsibility (CSR).

Facility Management (Elective Module)

Facility management is to focus on coordinating all business support services and property management techniques. The coordination emphasises adding value to the business operation and to society. Facility management plays an important role to bridge the gap between business operation and the environment.

Occupational Health and Safety Management (Elective Module)

The module covers aspects that help to promote a safe working environment that includes the understanding of safety problems and jobsite conditions, safety laws and regulations, effective safety management systems, safety training as well as the government's safety initiatives.

Strategic Management (Elective Module)

This module introduces the fundamental concepts of strategic planning and management in the context of the real estate, design, and construction industry. It also discusses the basic business relationships among firms in the design and construction value chain.

Sustainable Housing Development (Elective Module)

This module covers basic knowledge of global environmental issues and the principles of ecologically sustainable development to a large-scale housing development.

Industrial Training

Industrial training provides students with the opportunity to gain working experience, correlate theory with practice within the quantity surveying environment, explore potential career paths and gain competitive advantage in the job market upon graduation.

Construction Research Project I

This module emphasises the basic research. It is aimed to guide the students to explore a range of research methods and select an appropriate research topic for the following Construction Research Project II module.

Construction Research Project II

This module is a continuation of Construction Research Project I. Students will be continuing their research by an appointed supervisor, leading to writing a critical piece of dissertation.

Construction Economics and Management

This module provides an overview of the Quantity Surveyor's role during the pre and post-tender stage of a development which is initiated with the introduction of the process in a property development and factors that influence the development process. The module also covers principles and practices of project cash flow, financial management and various techniques of development appraisal including sources of finance available, the importance of budgeting, budget monitoring and its control throughout the development process.

Quantity Surveying Studio 1 & 2

This module encompasses the summary of the knowledge and skills that students acquired in the earlier semesters. For this module, students are required to apply the knowledge and skills they have learnt throughout the QS programme in a Multidisciplinary Learning Environment "MLE" collaborative setting. Students get to learn how to collaborate in a wider project based collaboration together with students from other industry-related disciplines. The assignment covers an extensive spectrum of the Quantity Surveying profession from project inception to final accounts.

Value Engineering and Management

This module introduces the history, background, theories, concepts and principles of Value Management/Value Engineering in the decision-making process of construction projects from concept to completion.

Construction Law and Dispute Resolution

This module provides an understanding of the principles of construction law and its applications. It covers the importance of adhering to the specific procedures and notices are emphasised to develop an in-depth knowledge on the application of the law and the remedies available to the parties.

Professional Practice

This module introduces the base knowledge of contract administration and the provisions of the standard contract conditions. It covers the understanding of a professional approach to procedural requirements of the contract and its limitations and the industry's practice of professional services.

Construction Project Management

Emphasises the theories, concepts and principles of management and project management in construction industry particularly in the overall processes from inception, evaluation, implementation, monitoring and finally until project completion.

Legal Studies

Basic aspects of Malaysian law and the role it plays in the construction industry which include the Malaysian Legal System, Contract Law and Tort Law.

Procurement and Contract Administration

Focuses on the professional code of conduct and a basic knowledge of contract procurement by identifying the various procurement methods in executing a project including legal and contractual procedures and developing an awareness of the provisions of the Standard Contract forms and other clauses forming the basis of contracts.

Environmental Science and Services

Provides an introduction to services that are commonly provided in a building, primarily cold water treatment and supply, sewerage disposal and treatment, storm water management, ventilation and telecommunication services. Students are made familiar with basic requirements, Uniform Building By-Law (UBBL), planning, coordination and installation of these services.

Building Services Technology

This module introduces students to the basic services systems that are provided in buildings such as mechanical ventilation, air-conditioning, fire protections, electrical supply, and mechanical transportation. Students will also learn about statutory requirements related to building design such as the Uniform Building By-Law (UBBL) and other relevant laws, guidelines and standards related to the subject matter.

Construction Technology I

Enables the development and establishment of a base knowledge of the fundamental principles of design, materials and technology of foundations, piled foundation, concrete framed buildings, walls, windows, doors. The students are also introduced to the principles of sketching.

Construction Technology II

Enables the development and establishment of a base knowledge of the fundamental principles of foundations, structural and load distribution, piled foundation, pre-stressing, steel portal frames, precast concrete and IBS, pre-stressing, dewatering and retaining wall. The students are also introduced to the principles of sketching.

Fundamental Measurement and Costing

Covers the principles, purpose, and function of the Standard Method of Measurement (SMM) including measurement principles, descriptions, and standard phraseology in the measurement of structural works. This module also provides an introduction on the principles of estimating and component prices such as material, plant, wastage, profit, and labour.

Measurement of Building Works and Costing

Covers the measurement of architectural works based on the Standard Method of Measurements for Building Works. This module also covers the principle of estimating and component prices such as material, plant, wastage, profit and labour for building works.

Advanced Measurement

Covers the measurement of roofs, structural steelwork, piles foundation, renovation & demolition works and various elements of external works. The module also integrates computing into their discipline of study by teaching the students to use relevant computer software programmes to prepare Bills of Quantities.

Engineering Measurement

Focuses on the measurement of civil engineering works namely bridges, retaining walls, earthworks, rail tracks, environmental protection works and based on the Malaysian Civil Engineering Standard Method of Measurement (MYCESMM), It also covers building services measurement, cold water and sanitary plumbing, electrical installation and M&E works. All measurements will be based on the Standard Method of Measurements for Building Works.

WHY EDUCATION AT TAYLOR'S?

Taylor'sphere, our balanced ecosystem of community, facilities and features, is focused on equipping students with intellect, creativity and practical wisdom to graduate in demand for the ever-evolving landscape. Your journey in education studies as a Taylorian will be immersed within this ecosystem that will empower your aspirations and enable you to rise with the best, where our community is our strength.

YOUR FUTURE IS OUR PRIORITY

We ensure that our students are in touch with current and future trends, and are well-equipped to embrace the challenges of the education sector.

MULTIDISCIPLINARY LEARNING EXPERIENCE (MLE)

Taylor's is one of the pioneer institutions in the region to implement compulsory multidisciplinary projects across all its undergraduate programmes. Multidisciplinary solutions go beyond just collaborating, but rather having a good understanding of learning necessities across various disciplines against being discipline-specific which will no longer be enough.

TAYLOR'S CURRICULUM FRAMEWORK (TCF)

Breaking conventions to bring you the first-of-its-kind framework in Malaysia that allows you to mix and match modules to customise your degree.

GLOBAL AND LOCAL EDUCATION

Our students are equipped with skill sets needed to teach and manage in private, international and government schools via a combination of the National Curriculum of England and Wales through the International Primary Curriculum (IPC) and the Malaysian Primary Schools Standards Curriculum (KSSR).

DIRECT PATHWAY TO AN IQTS

Taylor's partners exclusively with the renowned TES Institute to offer Malaysia's only direct pathway to the prestigious iQTS qualification. The fast-track Assessment Only route (AO QTS) opens doors to a rewarding teaching career in the UK, Middle East, and beyond in just 3 months.

UNIQUE PRIVATE & INTERNATIONAL SCHOOL PLACEMENTS

Hands-on training at Taylor's prestigious 5-star Private and International schools. Students are given first priority job placement upon graduation.

BREAK BOUNDARIES TOGETHER

We encourage our students to break boundaries and go beyond. They are taught to create their own benchmarks and break them. Education is the ultimate foundation where relevant innovation and advancements are key for the next generation.

WORLD-CLASS STANDARDS & FACILITIES

Taylor's Lakeside Campus encompasses a modern, functional design with state-of-the-art facilities together with lush greenery and its trademark 5.5-acre lake; striking a balance between form and function to embody our modern approach and perspective in premium education with an approach to holistic growth outside the classroom.

INTERNATIONAL EXPERIENCE

Teach in private and international schools worldwide through our Assisted Language Teachers (ALT) Programme.

PERSONALISED AI-POWERED LEARNING

As one of Malaysia's pioneering institutions in AI-driven innovation, we offer personalised one-on-one 24/7 tutoring, focused Q&A sessions, assessments and instant feedback, supported by our AI teaching assistant. Students enjoy an engaging experience that encourages self-directed growth and better understanding.

TEACHING & LEARNING CURRICULUM

Our uniquely designed modules introduce different teaching methods, allowing our students to deliver their classes more effectively. Student learning experiences include community projects and reflective learning.

PUTTING THEORY INTO PRACTICE

Students design their own teaching material and critique their lesson plans while gaining practical experience in presenting their material in a classroom setting.

CLASSROOM MANAGEMENT

Students focus on classroom management as part of their professional practice through exploring interactions during a lesson, and ways to encourage good behaviour, establish rules and routines, and create supportive learning environments.

REFLECTIVE PRACTICE

As future educators, students are encouraged to learn from experience, specifically to understand how to use their knowledge in practical situations and how they can combine practice and learning more effectively.

The Bachelors degree of Education program at Taylors University was such a great experience. Immersed in a wonderful community of expert lecturers and enthusiastic peers, we were set on a journey to holistic development as an educator! Here is a programme bound to make you a better you!

The Bachelor of Education programme at Taylors helped me grow not only as a teacher but also as a person. Other than education modules, we had many opportunities to take other modules and electives. I loved that we were always backed by practical application. By planning lessons and carry them out both in micro-teaching activities as well as in actual classrooms, the programme prepared me well for the realities of teaching.

As a result, I was able to confidently step into the classroom as a teacher after graduating.

SPECIALISATIONS

PRIMARY EDUCATION

This specialisation is for those who wish to pursue teaching or education-related careers at the primary level of schooling. The main focus of this specialisation is to develop homeroom teachers who are trained to teach English, Science, and Mathematics at the primary level. It enables students to learn and practise methods to address the learning needs of young learners using a variety of curricula.

Upon completion of this specialisation, graduates will be able to teach English, Science, and Mathematics, and develop content for these subjects at the primary level.

TEACHING OF ENGLISH

This specialisation is for those who aim to pursue the teaching of English as a career option or attain a better understanding of the English language. It provides an opportunity for students to learn how the English language is learned and taught, equipping them with practical knowledge and skills to teach a variety of English language programmes to linguistically and culturally diverse learners.

Upon completion of this specialisation, graduates will be able to teach English at various levels such as primary, secondary, and post-secondary.

EARLY CHILDHOOD EDUCATION

This specialisations is for those who wish to pursue teaching or education-related careers in early childhood education. The main focus of this specialisations is to develop early years teachers and caregivers. It enables students to learn and practise methods to address the learning needs of young learners using a variety of curricula.

Upon completion of this specialisation, students should be able to teach pre-schoolers and provide high-quality early childhood education and care to support children's transition to primary school.

SPECIAL EDUCATIONAL NEEDS

The special education needs specialisations is for those who wish to pursue teaching or education-related careers in special educational needs. The main focus of this specialisations is to develop special educational needs teachers and leaders. It enables students to learn and practise methods to address the learning needs and development of special educational needs learners using a variety of curricula.

Upon completion of this specialisation, students should be able to teach special educational needs students and provide high-quality special education and care to support children's learning and development.

What Our Students Say

Bernard Yap
American Degree Transfer Program (Computer Science major)

My most impactful experience at Taylor's is working with mentors at Taylor's Me.reka Makerspace (TMM), who provided me guidance, free resources, and tools to build Pinky the Umbrella Borrowing Machine, inspired by a random act of kindness.

Jizen Loh
Bachelor of Mass Communication (Honours) in Public Relations and Marketing

My achievements in fencing got me Taylor's Sports Scholarship, for which I'm truly grateful. At Taylor's, I was able to fulfil my vision of creating affordable quality niche sports goods by collaborating with my peers and becoming an entrepreneur.

Zara Basyirah
Bachelor of Software Engineering (Honours)

At Taylor's, I led projects focusing on education equality and mental health. My lecturer even gave me the opportunity to lead a project hosting high school students for STEM exploration. Learning leadership skills helped me overcome challenges in leading my startup.

Julius Ho
Bachelor of Computer Science (Honours)

I'm grateful for the BizPod mentors' pitching feedback and connections to investors in running my startup. It enabled me to overcome challenges and bring a new perspective to parking even though I graduated with a non-business degree.

Shahmala Rani
Bachelor of Actuarial Studies (Honours)

I'm grateful for the many opportunities to learn in various fields – from being a RISERS Ambassador to discovering my passion for teaching through Peer Assisted Learning (PALS), to balancing my role as a national karate athlete.

Roshen Maghhan
Bachelor of Computer Science (Honours)

Collaborating with Taylor's students from different backgrounds expanded my passion for tech. During the pandemic, it was mind-blowing to be able to build the COVIDNOW website with other developers without ever meeting in person.

Research & Enterprise

Flagship research programmes, industry-leading research centres, and qualified expertise to achieve balanced excellence in teaching and learning.

TEACHING & LEARNING SUPPORT

TEACHING & EDUCATIONAL DEVELOPMENT (TED)

Teaching and Educational Development (TED) at Centre For Future Learning is an award-winning department that supports the work of academic staff to create excellence in teaching through practice, development, and innovation.

TED offers workshops and seminars that address a range of timely topics associated with teaching, learning and technology in higher education.

E-LEARNING ACADEMY (eLA)

eLA's task is to help our academic staff effectively implement the use of technology in ensuring our students learning journey is seamless enabling them to learn in a collaborative, self-directed and personalised manner, anytime and anywhere.

Academics are recommended to utilise technology and tools such as ReWIND videos, Zoom, Microsoft Teams meeting, Google Classroom, Screencast-O-Matic, to name a few.

Despite the unprecedented challenges, eLA is here to support Taylor's academics and students to continuously learn and teach via online modalities.

ACADEMIC ADVISORY

Centre for Academic Programme Management (CAPM) works with all academic faculties in providing necessary academic support to students so as to ensure they graduate on time. CAPM has mechanisms in place to keep track of students and intervene where need be.

FLAME (First Year Learning and Mentoring) is Taylor's signature mentoring programme developed to assist newly enrolled First-Year students to settle into University & College life and study, gearing them towards achieving their personal learning goals.

TAYLOR'S CURRICULUM FRAMEWORK 2.0 (TCF 2.0)

At Taylor's, we future-proof you with a broader set of graduate capabilities beyond academic knowledge. We focus on a balanced set of attainment as you graduate.

WHAT OUR SCHOLARS SAY

KEERAT KAUR WATHAN
*Taylor's Talent
Scholarship*

Being a Taylor's scholar is immensely fulfilling, opening doors for me academically and in extracurriculars. I made many friends through our Scholars' Club where I learned soft skills and life lessons to take with me, wherever I go.

EMIR RUSYAIDI
*Taylor's Sports
Scholarship*

My scholar's experience has granted me countless networking, financial, and social advantages in my journey as a Taylorian! It opened up unimaginable horizons in upskilling as well as meeting other high achievers in a well-knit community.

ELISHA PAULRAJ
*Taylor's Community
Scholarship*

My journey at Taylor's helped me grow with the confidence that I can rely on experienced individuals even when mistakes are made. The scholarship gave me exposure to diverse cultures and thinking, something I will always be thankful for!

GERMAINE HEW
*Taylor's World Class
Scholarship*

I led a fulfilling life at Taylor's with the scholarship, completing my internship at a prestigious company (Maybank), a stepping stone towards my career aspiration. Thankful too for the valuable experience through activities such as the Maybank Student Ambassador Programme!

ACHIEVEMENTS

EDUCATION EXCELLENCE RECOGNISED THROUGH OUR ACCOLADES

ADVANTAGES OF BEING A SCHOLAR

SCHOLAR'S CLUB

Join a distinguished community of high achievers like yourself. Collaborate with individuals who share your passions and aspirations, opening doors to potential collaborations, lifelong friendships, and invaluable networking opportunities that extend well beyond your scholarship years.

HIGHLY COMPETITIVE SELECTION

Our scholarships are awarded only to the most outstanding candidates. Being selected signifies your exceptional achievements and sets you apart from others. This recognition not only boosts your confidence but also serves as evidence of your exceptional abilities to future employers.

AMBASSADOR FOR THE INSTITUTION

Represents Taylor's values and achievements and acts as an exemplary student towards peers who upholds the values of Taylor'sphere.

ADDED VALUE FOR RESUME

Elevate your resume with the prestigious scholarship accolade. Make employers recognise your dedication to excellence, opening doors to coveted job positions, internships, and advanced educational pathways.

RECOGNITION AS A TOP-QUALITY GRADUATE

Our scholarship recipients gain the attention of industry leaders who acknowledge their potential. This recognition brings forth mentorship opportunities, access to influential networks, and potential collaborations.

FINANCIAL FREEDOM

Benefit from a waiver throughout the standard programme duration, allowing you to focus on your studies, embrace additional learning experiences, and even explore internships, fostering a holistic educational journey.

LIFE & LEADERSHIP SKILLS BUILDING

Engage in activities that foster life and leadership skills, vital for personal and professional success. Our scholars develop communication, teamwork, and problem-solving skills through hands-on experiences, ensuring you graduate not only academically competent but also well-equipped for real-world challenges.

INTRODUCTION TO FINANCIAL AID

Taylor's offers various forms of financial assistance, including scholarships, awards, and bursaries, which support our students throughout their studies.

SCHOLARSHIP

Scholarships are exclusively available to both Taylor's College and Taylor's University students for their chosen programme. Students may apply for the scholarship(s) at the point of enrolment should they meet the minimum eligibility and academic criteria. Shortlisted candidates will undergo assessments and interviews.

EXCELLENCE AWARD

The Excellence Award is a prestigious recognition of academic achievements. Students may attain the eligible quantum on a fast-track basis upon application based on their academic results.

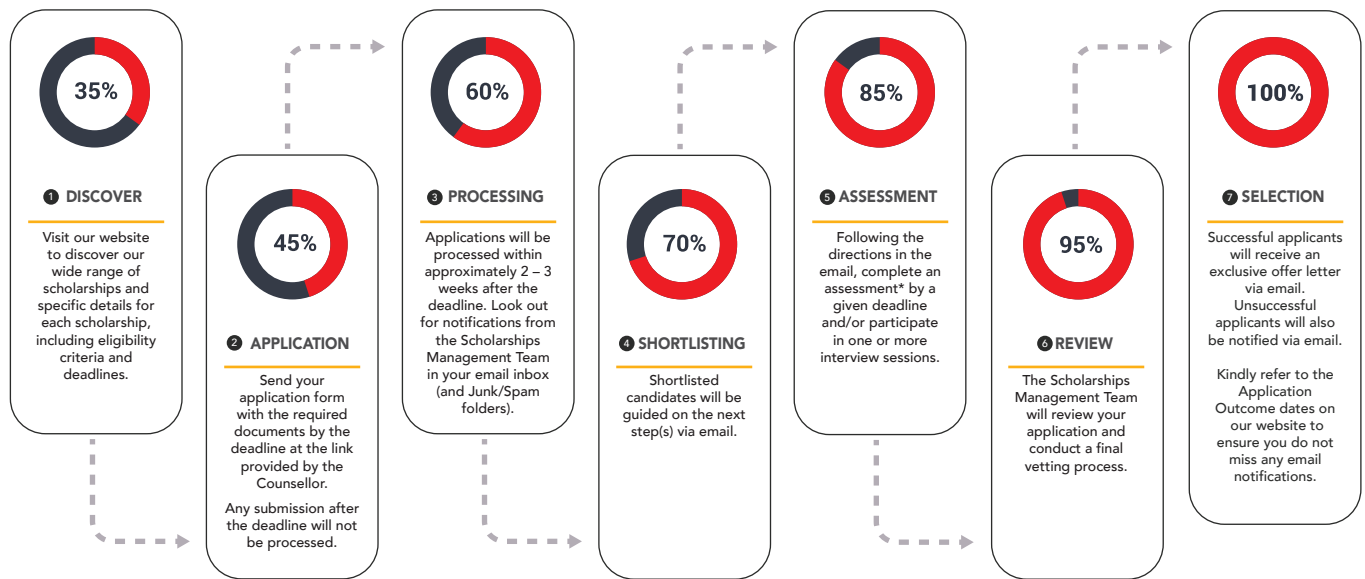

BURSARY

The bursary is a form of discount that will be provided to students depending on their eligibility which will be advised by the appointed Counsellors at the point of enrolment.

UNDERGRADUATE SCHOLARSHIP TERMS & CONDITIONS

1. Scholarships listed are applicable for 2025 intakes only and are subject to availability on a first-come, first-serve basis.
 2. Scholarships are applicable for all Malaysian students that hold academic results from any accredited institution in Malaysia or selected overseas institutions with selected qualifications (e.g.: IGCSE, Cambridge A Level) and Taylor's Education Group (TEG) progression international students only. Clarification on accepted results may be obtained from the Scholarships Management through the student's appointed Counsellor.
 3. Scholarship application can only be made once for the particular level of study, at any one time and must be made at the point of enrolment. Late application or re-application will not be entertained.
 4. All 2025 scholarships are subject to the following eligibility criteria:
 - i. Studies conducted at Taylor's College/Taylor's University, Malaysia only;
 - ii. Registered full-time students at Taylor's College/Taylor's University;
 - iii. The programme and intake offered as stated in the Letter of Offer only; and
 - iv. Does not include a period of study at overseas partner institutions including student exchange, except where fee is payable to Taylor's College/Taylor's University (where applicable).
 5. All scholarships are only applicable for students progressing to a higher qualification from the current highest achieved qualification commencing from semester 1 without any credit transfer (except for transfers from Diploma/Advanced Diploma to Degree). Clarification on exceptions may be obtained from the Scholarships Management through the student's appointed Counsellor.
 6. Application for the scholarships may be submitted based on actual/forecast/trial results. For SPM students, only actual/trial results shall be considered eligible for the scholarship application, whereas, for IGCSE students, only actual/forecast results shall be considered for the same purpose.
 7. If forecast/trial results are used in the application, the actual results must meet the minimum programme entry requirements as stipulated by Taylor's College/Taylor's University and a copy must be furnished to Taylor's College/Taylor's University as soon as the results are out. Upon actual results being released, in the event the recipient fails to meet the minimum programme entry requirements, the recipient is required to leave the programme and the scholarship offer will be automatically revoked.
 8. All subjects taken during SPM will be considered except for:
 - i. 1119 (GCE-O)
 - ii. Principles of Accounting Dual Certification (LCCI)
 - iii. Ujian Pencapaian Bahasa Antarabangsa (UPBA).
 9. For IGCSE syllabus, KBSM grades will not be taken into consideration if the same subject has already been taken in IGCSE.
 10. For any other examination, all subjects are taken into consideration with the following exceptions:
 - i. Same/Similar subjects from different examination boards (e.g. Cambridge and Pearson) will be treated as one (1) subject for awarding purpose, where the highest grade applies;
 - ii. For language subjects, where two (2) subjects with varying level of proficiency are taken either from the same or different examination board, it will be treated as one (1) subject for awarding purposes, where the highest grade applies. Clarification on accepted subjects may be obtained from the Scholarships Management through your Counsellor.
 11. Applicants must be certain of their preferred intake and/or programme during the point of scholarship application. Should applicants defer or change to a different programme and/or intake of the same year or different year during the processing period, the application will be voided.
 12. Taylor's College/Taylor's University reserves the right to rescind the offer if documents contain false information. This includes applications without required attachments.
 13. Applicants are required to apply for the scholarship before the application deadlines. Any late or incomplete application will not be accepted. No appeals will be entertained.
 14. Scholarship application deadlines may be revised at the sole discretion of Taylor's College/Taylor's University without prior notice. Scholarship application deadlines can be found on the Taylor's College/Taylor's University website respectively.
 15. The scholarships are applicable to the programme and intake granted. Any changes to the intake and/or programme of study that result in the modification of programme title and/or duration of studies and/or intake commencement will result in immediate termination of the scholarship. For special consideration, the recipient shall correspond in writing immediately with the Scholarships Management to notify of the circumstance. Any approval for exceptions or special considerations is at the absolute discretion of the Scholarships Management and is not guaranteed. Where changes are made without prior approval, Taylor's College/Taylor's University reserves the right to withdraw the scholarship, and the recipient will be required to repay the total scholarship amount disbursed to him/her in full. All decisions made by Taylor's College/Taylor's University are final and no further appeals shall be entertained.
 16. Recipients are expected to provide any document(s) as requested by the Scholarships Management at any given time within the stipulated deadline communicated to facilitate any requirements deemed necessary by Taylor's College/Taylor's University. Failure to do so will result in the scholarship being revoked and the recipient to repay the scholarship amount disbursed to date in full.
 17. Recipients shall join the academic course at the given start date. Failure to do so will result in immediate termination of the scholarship.
 18. The scholarship is a fee waiver; it is not exchangeable for cash, is non-transferable and non-refundable and the manner in which the awarded amount is disbursed will be decided by the Scholarships Management. Any requests to amend the quantum disbursement will not be entertained.
 19. The scholarship only covers the tuition fees and for avoidance of doubt does not cover fees such as the International Student Annual Fee, EMGS Visa Application Fee, International Student Charge, Hospitalisation and Surgical Insurance Fee, EMGS Renewal Fee or any other Visa-related Fee.
 20. The scholarship only covers subjects enrolled for the first time (first attempt) in the letter of offer. Retake of module or repeat of subject will not be covered by the scholarship.
 21. All fees should be paid by the stipulated deadline, refusal to do so either when awaiting the scholarship outcome announcement and/or throughout the duration of study will be subjected to terms of the institution policy which includes and is not limited to barring from classes and may result in the scholarship application being disqualified/scholarship being terminated and full fees being charged to the applicant/recipient.
 22. Recipients are entitled to one (1) type of scholarship/bursary/award/waiver/discount at any one time including sponsorship from other external institutions/bodies. Recipients shall inform the Scholarships Management of any other scholarships or sponsorships currently held or awarded at a later date. For scholarship recipients, this disbursement will cease in the event recipients accept any external scholarship. The one with the highest quantum will automatically apply.
 23. If the scholarship offer is not accepted by the given deadline in the letter of offer, it will be automatically withdrawn and voided. No appeals will be entertained.
 24. By accepting this offer, recipients understand and accept the responsibility of being an exemplary student ambassador for Taylor's College/Taylor's University. Recipients must recognise that his/her behaviour and general conduct must, at all times, be above reproach and comply with all existing rules, regulations, requirements and policies of Taylor's College/Taylor's University. Recipients should not be involved, engaged in, or participate in any political, illegal or unlawful activity as a recipient of the scholarship whether within or outside the University premises. Failure to comply will result in immediate termination of scholarship and possible suspension in line with Institution policy.
 25. Recipients agree to act in an ambassadorial capacity, to provide student profiles or testimonials, interviews, advertisements, photographs, or any other publicity-related activities if requested, and to attend scholarship or recruitment events as required for Taylor's College/Taylor's University.
 26. Recipients are required to maintain satisfactory academic results as outlined by the minimum CGPA/score/grades specified in their scholarship offer letter throughout the standard programme duration. Failure to do so may result in the termination of the scholarship by Taylor's College/Taylor's University at the discretion of the Scholarships Management, taking into consideration due process as per the Scholarship policy.
 27. By accepting this award, recipients are expected to join the Scholar's Club and attend any Scholar's Club activities/events organised by the Scholarships Management and Scholar's Committee during the duration of their scholarship and attendance is a requirement under this scholarship.
 28. Upon accepting this scholarship, recipients are deemed to have accepted all terms and conditions stipulated here.
 29. Recipients also agree to indemnify and hold Taylor's College/Taylor's University harmless of and from any and all demands, claims, liabilities or actions of any kind whatsoever during their period of study at Taylor's College/Taylor's University.
 30. In the event the recipient withdraws from the programme, is suspended or terminated by Taylor's College/Taylor's University at any point of time before the completion of the programme, the scholarship shall be automatically terminated. However, should the recipient withdraw from the programme due to medical reasons, his/her scholarship may be retained, subject to the absolute discretion of the Scholarships Management.
 31. Taylor's College/Taylor's University, will be entitled to terminate the scholarship at any time, by immediate notice to the recipient in writing, in the event of:
 - i. misconduct, whether in connection with his/her study or otherwise;
 - ii. failure to make such progress in his/her study as is considered satisfactory;
 - iii. circumstances, such as illness, arising which, with the university's agreement, would render it impossible for the recipient to complete his/her scholarship satisfactorily or prevent the purpose of the scholarship from being fulfilled;
 - iv. dismissal, for any reason, from the recipient's host university (if on student exchange programme);
 - v. breach of any local Malaysian law and practices;
 - vi. conviction of bribery, in line with the Malaysian Anti-Corruption Act, the current scholarship will be rescinded, and the recipient will be banned from applying for any Taylor's financial aid and discounts for a period of up to five years;
 - vii. failure to comply with the conditions of his/her visa (if international student); and
 - viii. the discovery that the recipient has submitted fraudulent documentation.
 32. In the event of such termination, Taylor's College/Taylor's University shall have no further obligation to the recipient, and the recipient shall be bound to repay the amount that has been paid/waived to him/her under the scholarship, unless:
 - i. the termination is a result of his/her ill health and this has been certified by a registered medical practitioner; and
 - ii. Taylor's College/Taylor's University has exercised its discretion to exempt the recipient from this condition.
 33. Any breach of the scholarship condition(s) is treated seriously and if the recipient believes to have breached a condition whether intentionally or unintentionally, the recipient should contact the Scholarships Management immediately to discuss the situation. Recipients are urged to take prompt action to resolve any misunderstanding that may arise as a result of the breach, accidental or otherwise.
 34. All decisions made by Taylor's College/Taylor's University are final and no further appeals shall be entertained.
 35. Taylor's College/Taylor's University has a range of social media platforms for scholars and alumni to interact with. We look forward to receiving recipients' comments and participation in discussions, and we encourage open, lively debate. However, we do request that our scholars, fellows, and alumni adhere to certain good practices and conventions of polite and constructive discourse.
 36. Recipients agree to be contacted by Taylor's College/Taylor's University after graduation to be involved in interviews, advertisements, photography or other publicity-related activities for marketing purposes.
 37. The terms and conditions of scholarships may be modified and amended from time to time as deemed appropriate by Taylor's College/Taylor's University and the current version can be found on the Taylor's College/Taylor's University website.
 38. All information including personal data provided in the programme and scholarship application may be used by or on behalf of Taylor's College/Taylor's University in the following manner and is not limited to:
 - i. processing of scholarship application, collection of feedback, communicate details of events, academic programmes and marketing information, and for any other purposes as required by Taylor's College/Taylor's University; and
 - ii. periodical audit by Taylor's College/Taylor's University with regards to any information provided should the scholarship be administered, which includes and is not limited to grade reviews, semester status, and utilisation of data for institution needs.
- All data collected will be handled in strict accordance with the PDPA guidelines as per organisation policy.

AWARDS AND BURSARIES

TERMS & CONDITIONS

1. Awards listed are applicable for 2025 intakes only and are subject to availability on a first-come, first-serve basis.
2. Awards are applicable for all students that hold recognised academic results from accredited institutions in Malaysia. Malaysians from selected overseas institutions with selected qualifications (e.g. IGCSE, Cambridge A Level) may be considered. Clarification on accepted results can be obtained from the Scholarships Management through the student's appointed Counsellor.
3. All 2025 awards are subject to the following eligibility criteria:
 - i. Studies conducted at Taylor's College/Taylor's University, Malaysia only;
 - ii. Registered full-time students at Taylor's College/Taylor's University;
 - iii. The programme and intake offered as stated in the Letter of Offer only; and
 - iv. Does not include a period of study at overseas partner institutions including student exchange, except where fee is payable to Taylor's College/Taylor's University (where applicable).
4. Application for the Award may be submitted based on actual/forecast/trial results. For SPM students, only actual/trial results shall be considered eligible for the Award application, whereas, for IGCSE students, only actual/forecast results shall be considered for the same purpose. The latest available results will be considered at the point of processing.
5. If forecast/trial results are used in the application, the actual results must meet the minimum programme entry requirements as stipulated by Taylor's College/Taylor's University and a copy must be furnished to Taylor's College/Taylor's University as soon as the results are out. Upon actual results being released, in the event the recipient fails to meet the minimum programme entry requirements, the recipient is required to leave the programme and the scholarship offer will be automatically revoked.
6. All awards are only applicable for students progressing to a higher qualification from the current highest achieved qualification commencing from semester 1 without any credit transfer (except for transfers from Diploma/Advanced Diploma to Degree). Clarification on exceptions may be obtained from the Scholarships Management through the student's appointed Counsellor.
7. Award application must be done before the intake closing date. An exception is provided to students who receive their results after the intake closing date, whereby award application or upgrade may be done within 10 working days from the results release date, which may include online results, provisional results, or any other form of formal/recognised confirmation of results. Application and/or upgrade form must be filled and submitted with the results copy attached to Campus Central at campuscentral@taylors.edu.my before the stipulated deadline. The application and/or upgrade form may be obtained from the student's appointed Counsellor or from Campus Central.
8. All award applications and upgrades can only be done once.
9. Should the documents provided not be sufficient at the point of processing, Scholarships Management reserves the right to request the necessary additional supporting documents which must be provided within the stipulated deadline for further review. Failure to do so will result in the Award application being null and void.
10. The award shall be in the form of a tuition fee waiver; it is not exchangeable for cash, is non-transferable and non-refundable and the manner in which the awarded amount is disbursed may vary by programme and will be decided by the Scholarships Management. Any request to amend the quantum disbursement will not be entertained.
11. The award is applicable in long semesters only and is limited to the maximum deduction subject to quantum awarded. For avoidance of doubt, in long semesters where the tuition fees are lower than the awarded quantum, deductions made shall be equivalent to the semester's tuition fees only.
12. All subjects taken during SPM will be considered except for:
 - i. 1119 (GCE-O).
 - ii. Principles of Accounting Dual Certification (LCCI).
 - iii. Ujian Pencapaian Bahasa Antarabangsa (UPBA).
13. For IGCSE syllabus, KBSM grades will not be taken into consideration if the same subject has already been taken in IGCSE.
14. For any other examination, all subjects are taken into consideration with the following exceptions:
 - i. Same/Similar subjects from different examination boards (e.g. Cambridge and Pearson) will be treated as one (1) subject for awarding purpose, where the highest grade applies;
 - ii. For language subjects, where two (2) subjects with varying levels of proficiency are taken either from the same or different examination boards, it will be treated as one (1) subject for awarding purposes, where the highest grade applies. Clarification on accepted subjects may be obtained from the Scholarships Management through the student's appointed Counsellor.
15. Recipients must meet the minimum programme entry requirements and the award requirements as stipulated by Taylor's College/Taylor's University.
16. The awards are applicable to the programme and intake granted. Any changes to the intake and/or programme of study that result in the modification of programme title and/or duration of studies and/or intake commencement will result in immediate termination of the award. For special consideration, the recipient shall correspond in writing immediately with the Scholarships Management to notify of the circumstance. Any approval for exceptions or special considerations is at the absolute discretion of the Scholarships Management and is not guaranteed. Where changes are made without prior approval, Taylor's College/Taylor's University reserves the right to withdraw the award, and the recipient will be required to repay the total award amount disbursed to him/her in full. All decisions made by Taylor's College/Taylor's University are final and no further appeals shall be entertained.
17. The award only covers the tuition fees and for avoidance of doubt does not cover fees such as the International Student Annual Fee, EMGS Visa Application Fee, International Student Charge, Hospitalisation and Surgical Insurance Fee, EMGS Renewal Fee or any other Visa-related Fee.
18. The award only covers subjects enrolled for the first time (first attempt) in the letter of offer. Retake of module or repeat of subject will not be covered by the award.
19. All fees should be paid by the stipulated deadline. Refusal to do so either when awaiting the award outcome announcement and/or throughout the duration of study will be subjected to terms of the institution policy which includes and is not limited to barring from classes and may result in the award application being disqualified/award being terminated and full fees being charged to the applicant/recipient.
20. Recipients are encouraged to contact Scholarships Management with any enquiry regarding deductions prior to remitting payment for the respective semester should there be any. All requests submitted after payment or upon graduation will not be entertained.
21. Recipients are entitled to one (1) type of scholarship/bursary/award/waiver/discount at any one time including sponsorship from other external institutions/bodies. Recipients shall inform the Scholarships Management of any other scholarships or sponsorships currently held or awarded at a later date. The one with the highest quantum will automatically apply.
22. Upon accepting this award, the recipient is deemed to have accepted all terms & conditions stipulated here.
23. By accepting this award, the recipient agrees to indemnify and hold Taylor's College/Taylor's University harmless of and from any and all demands, claims, liabilities or actions of any kind whatsoever.
24. All awards offered by Taylor's College/Taylor's University to any students are at the absolute discretion of Taylor's College/Taylor's University and no further appeals shall be entertained.
25. Taylor's College/Taylor's University reserves the right to rescind the offer if documents contain false information. This includes applications without required attachment(s).
26. Any late or incomplete application will not be accepted.
27. The terms and conditions of awards may be modified and amended from time to time as deemed appropriate by Taylor's College/Taylor's University and the current version can be found on the Taylor's College/Taylor's University website.
28. All information including personal data provided in the programme and award application may be used by or on behalf of Taylor's College/Taylor's University in the following manner and is not limited to:
 - i. processing of award application, collection of feedback, communicating details of events, academic programmes and marketing information, and for any other purposes as required by Taylor's College/Taylor's University; and
 - ii. periodical audit by Taylor's College/Taylor's University with regards to any information provided should the award be administered, which includes and is not limited to grade reviews, semester status, and utilisation of data for institution needs.

All data collected will be handled in strict accordance with the PDPA guidelines as per organisation policy.
