The student exchange programme offered at Taylor's appealed to me even before I enrolled for my degree. I chose Southern Cross University, Gold Coast, Australia because they offer great modules for events with qualified lecturers that have worked in the industry for years. I think it's a great opportunity to travel, meet new people and experience a different culture without the additional costs that would be involved otherwise.

AISHATH MAARIN ISMAIL

Bachelor of International Events Management

During my time at Taylor's University, pursuing the Bachelor of Patisserie Arts provided me with a comprehensive educational experience. The programme seamlessly integrated theoretical knowledge with hands-on skills, ensuring a well-rounded education. Experienced chefs enriched our learning by conducting workshops, broadening our understanding of the field. This not only prepared me for the real industry but also opened doors to a range of future career opportunities. Furthermore, I have the chance to participate in a student exchange programme in South Korea, adding an international dimension to my education and further enhancing my skills and global perspective.

Additionally, property management systems, point of sale (MICROS), event management system (Evenesis) and airline reservation systems (Galileo) are also extensively covered throughout the curriculum.

FOOD SERVICE ENTREPRENEURSHIP

In-depth understanding of the restaurant and catering business is acquired through operating the Tiffin foodservice outlet on campus. Students are involved in designing the food products and menu, planning marketing strategies, as well as managing and running the entire operations of the outlet.

Taylor's University helped me become the best version of myself. The Bachelor of Culinary Management programme guides me not only in culinary skills and cuisine but also in preparing desserts and confections. Entrepreneurial and management modules offered in the programme may lead, motivate, and inspire my career pathway to become the owner of a café that specialises in croissants in Surabaya. The knowledge, skills, and motivation provided by the school helped me earn my first silver medal in Food Hotel Indonesia 2023 in the category of "National Bakery Challenge".
