VICE CHANCELLOR & PRESIDENT'S MESSAGE

Taylor's University is a reputable and leading private education institution in Malaysia. With more than 50 years of experience in the education scene, we remain steadfast in fostering excellence in education, innovation, and the holistic development of our students. We infuse our research, education, and advocacy with purpose and meaning to empower our community in pursuing their passion and purpose, thus leaving a positive impact to their surrounding community.

Our prime location exposes our diverse student body from almost 100 countries to the nation's rich cultural landscape and attracts the brightest and most creative students from around the world. Our students come together to create a vibrant and exciting community that supports a wide range of sporting, cultural and leisure activities, which have become the hallmark of the Taylor's experience – cultivating a positive campus environment.

We hope that Taylor's University will be your higher education institution of choice as we remain committed in our stance as a leading institution that is equipped to empower its students to address the challenges of the modern world. Most importantly, let us work together driven by the limitless potential within our community to ensure that when you graduate, you are ready to create your own pathway to excellence and become a productive leader of change.

We look forward to seeing you at Taylor's Lakeside Campus.

Warmest Regards,
Professor Barry Winn
*Vice Chancellor and President,
Taylor's University*

1 Do all students have access to the learning facilitators?
Yes. As an online student, you will benefit from the support of learning facilitators throughout the entire programme. You will be able to reach out to the facilitators when in need of academic support to ease your learning.

2 Am I eligible to apply if my Bachelor's degree is not relevant to the field of study I am interested in?
Yes, however, a bridging module is required for students who are not from a degree in the relevant field. If you require additional information, use the chat function and our education counsellor will assist you.

3 Am I eligible for scholarships?
Yes, Taylor's University scholarships are available for selected students. Please visit our website for further information.

4 Can I switch from a 100% online programme to a conventional programme, and must I do so within a certain timeframe?
Yes, transfers are available and subject to credit transfer requirements. Thus, it is advisable to complete the module you are enrolled in before requesting for transfer.

5 How long is a programme term?
The programme term is 8 weeks long, including 1 week of induction to be briefed on the module you are about to take, 6 learning weeks and 1 week for the preparation of the final assessment and a summary of the learning throughout the module.

Frequently Asked Questions

FAQ

6 Is it compulsory to attend the weekly live session?
No, attendance is not compulsory as all live sessions are recorded and made available on the platform. However, it is to your advantage to attend the live session as you will have the opportunity to connect with your lecturers.

7 How are examinations conducted?
Students are assessed through the completion of several assignments. A module commonly includes three assessments that can be completed at home and uploaded on the learning platform by the submission date.

8 How is a programme conducted and how do I know if I am learning effectively?
The weekly content you will be required to go through includes bite-sized activities designed to help you check if you have correctly acquired and understood the intended learning. The online activities take a few minutes to complete, and help you progress confidently from one topic to another.

9 Are the 100% Online Postgraduate Programmes by Taylor's University in Malaysia recognised by employers worldwide?
Yes, as a leading global institution Taylor's is ranked among the World Top 1% in Employer Reputation. Taylor's University retains its position as Malaysia's leading private university in the QS Graduate Employability Rankings 2022, ranking 16th in the world for the Graduate Employment Rate indicator.
